

Statements of Financial Interests – City Departments

Per Seattle Municipal Code 4.16.080, the Commission shall adopt by rule a list of the City officers and employees, identified by job title, pocket number, position description, or other means that provide adequate specificity, who shall file a statement of financial interests with the Commission. The list may be amended by rule from time to time, and shall include: (a) every head of a City department and every division manager reporting directly to the head of a City department; (b) every Assistant City Attorney; (c) each Deputy Mayor and each other member of the Mayor's staff with authority to direct the expenditure of City resources; (d) the City Clerk, City Auditor, and every employee in the City Auditor's office who conducts or supervises the conduct of audits; (e) employees identified by department heads as having had decision-making authority over the preceding one (1) year period for (i) the purchase of goods or (ii) the purchase of equipment or (iii) the negotiation of contracts or (iv) the execution of contracts, the purchases or contracts having a total value of Five Thousand Dollars (\$5,000) or more; (f) each employee who supervises, directly or through others, an employee listed pursuant to subsection B1e of this section; and (g) every member of a City committee, City board, or City commission, that administers, interprets or executes City ordinances, whether a member is paid or unpaid. Each head of a City department shall identify the employees within that department fitting the categories in this subsection in accordance with procedures adopted by the Commission.

Each person listed or described on the then-current list of the Commission adopted under this section and each person taking on the duties or assuming the position of such a person (a reporting person) shall file a statement of financial interests within two (2) weeks of employment or appointment; and in addition, after January 1st and before April 15th of each year. The statement shall be for the preceding calendar year....

Every member of a City committee, City board, or City commission, that administers, interprets or executes City laws, whether a member is paid or unpaid, shall file with the Commission the information required in subsections C3a-c of this section. In addition, every member of the Landmarks Preservation Board and every member of a special review district shall file with the Commission the information required in subsections C3a-d of this section.

Please note that the SEEC is exercising an abundance of care for any City of Seattle employee or Board/Commission member who may be impacted by being enrolled in the Address Confidentiality Program or are survivors of domestic violence, sexual assault or sexual abuse, stalking, or harassment by providing only the names of the departments which have submitted their lists of individuals who must file a financial interest statement with the SEEC.

The names of the identified individuals who must file financial interest statements are being made available only to the Seattle Ethics and Elections Commission members at this time as per SMC 4.16.080 in order to minimize any potential harm to any employee or Board/Commission member.
