

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.HealthReformPlanSBC.com or by calling 1-800-370-4526. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary/> or call 1-800-370-4526 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	In-Network: Individual \$100 / Family \$300. Out-of-Network: Individual \$150 / Family \$450.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. In-network <u>prescription drugs</u> is covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?	In-Network: Individual \$400 / Family NONE. Out-of-Network: Individual \$1,600 / Family NONE. <u>Prescription drugs</u> : Individual \$1,200 / Family \$3,600.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billing</u> charges & health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a network provider?	Yes. See www.aetna.com/docfind or call 1-800-370-4526 for a list of in- <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
